# Welcome to the 39th Annual Central Maine Egg Festival

*“The mission of the Central Maine Egg Festival is to provide  
a venue where small central Maine non-profit groups  
can have a successful annual fundraiser”*

Welcome to the 39th annual Festival. It's hard to believe, but here we are again; how fast a year goes by. It is a challenge to keep the Festival fun and fresh while keeping our traditional values and mission statement in mind. We think we have done this, and we hope you will agree.

Our theme this year is ***Home Town Heroes***. How fitting in this day and age...all you have to do is look around. There are heroes and role models around every corner. There are some heroes everybody thinks about: our service men and women, policemen, firemen, doctors, nurses and athletes. What about parents, teachers, coaches, scout leaders, volunteers and anyone who makes a positive difference in the life of another? We celebrate these heroes, too!

As part of our continuing effort to rebuild the Festival, we have concentrated on expanding some of our events. Last year we introduced the Children's Area where parents could bring their young children for free arts, crafts and water play. ***This year we've added children's entertainment and a magic show.*** The exhibit tent, absent for many years, was a welcome comeback for many. This year we are bringing back the ***special postal cancellation. Chicken tracks will walk across your Festival postcard when you mail it on Saturday between 1:00 p.m. and 3:00 p.m.*** There will also be a beekeeping and honey exhibit, wood carving, free blood pressure checks and much more, so don't forget to stop by.

And don't forget to check out all the activities happening during the week...the street dance, egglympics, window painting, quiche contest, bike rodeo, the concert in the park and much more. All of this leads up to the Kiwanis Karnival which opens on Thursday night.

We hope you enjoy this year's festival. The committee, though small, has worked tirelessly to have this year be reminiscent of years gone by; a festival that brings friends and family together to share in all their community has to offer. ***Enjoy and have fun!***

*Deb Billings, President  
Central Maine Egg Festival Committee*

Pittsfield, Maine 04967-1432

## GREETINGS TO ALL:

It is an honor to **welcome** all of our Town's citizens and our many guests to the 39th Annual Central Maine Egg Festival.

With the theme of "Home Town Heroes", the festival provides an opportunity to recognize and thank so many people who make a difference in our daily lives.

The Egg Festival has been a wonderful tradition over the years that has provided memories for all as well as a very positive impact on the local economy. The festival is one of the most important annual activities in our community and the region.

The Central Maine Egg Festival provides a great opportunity for families and friends to see each other and participate in home comings and family gatherings. We hope that every one of our citizens has the opportunity to participate in this year's Egg Festival.

Thousands of visitors will come to enjoy the festivities and be welcomed into the community by our citizens and businesses. Please visit our many parks and town facilities. We would encourage you to frequent the Town's businesses, restaurants and organizations. Our merchants look forward to this week in order to proudly display their services and products. There is something for everyone in this exceptionally friendly town located on the banks of the Sebasticook River. Please enjoy Pittsfield's hospitality!

In closing, we would like to extend a special thank you to all of the members of the Central Maine Egg Festival Committee who under the leadership of President Debra Billings have volunteered so much of their time and energy at the festivities. We also sincerely thank all of the civic groups that help make the Egg Festival such a great family event each year. Putting together an activity of this magnitude and complexity always presents many opportunities. Congratulations to all for your amazing community spirit and contributions.

Our Town wishes you an egg-sellent time with many egg-ventures at this year's celebration!

Sincerely,

*Kathryn Ruth*

## The Central Maine Egg Festival 2011 Grand Marshal

When choosing the Grand Marshal for The Big Parade, the committee tries to keep in mind the Festival's core values. Commitment, dedication, community service are but a few of the ideals we look for during this process. This year's theme "Home Town Heroes" has made this a difficult task.

How do you choose one person from such a large number of "Heroes"? There are police, fire fighters, active military, veterans, teachers, coaches, volunteers and the list goes on. Is it possible to choose just one? We think not. So this year we have decided to fore go having a Grand Marshal. Instead, we salute all of our "Home Town Heroes" and thank them for all they do.

*Deb Billings, President  
Central Maine Egg Festival Committee*

# Corporate Sponsorship Program

In our second year of the *Corporate Sponsorship Program*, businesses and corporations in the central Maine area have once again helped us meet the challenge of our mission statement. This program continues to be met with great enthusiasm and as a result, we have raised \$20,000 from 38 Sponsors. Please make note and be sure to thank them for their unflinching community support.

# Egg-Lympics Rules & Setup

**EGG TOSS:** (3-6 yo) Place one (1) 5 gallon bucket 10 feet from a fixed line and give each child 10 plastic eggs. The one who makes the most in the bucket wins. Can set up in heats and have finals if more than 12 participants. *The same holds true for the 7-10 year old division but the buckets will be placed 20 ft away from line.*

**RUBBER CHICKEN THROW:** Mark a line and all contestants must remain behind the line and will have 2 opportunities to throw a rubber chicken. They may throw the chicken anyway they see fit as long as they don't cross the line. The participant who throws the furthest distance in feet wins.

**5 EGG RELAY:** Five (5) Cones will be set up 25 ft. apart for 3-6 group and 50 ft. for 7-10 year old group. A start line will be present. There will be an egg on top of all 5 cones. Contestant will have to run to cone secure egg between chin and chest and run back to start line where there will be a bucket. The catch is when every contestant returns they must swing arms and cluck like a chicken. The winner will be the contestant with the fastest time.

**OLD FASHIONED WHEEL BARROW RACE:** The contestants will have to race 100 ft. around a cone and back to the finish line. Done in teams of two and will be done by double elimination.

**WATER BALLOON TOSS:** Contestants will have to toss water balloons and try to get three of them in a bucket without them breaking. There will be three buckets placed 15 ft from the contestant and he/she must get three (3) unbroken balloons in the same bucket. This is a timed event.

**WATERMELON ROLL:** The contestant must roll a watermelon on his or her hands and knees a distance of 150 feet and cross a finish line. The individual that crosses the finish line first will move on to the second round. The one individual left at the end of the competition will be declared the winner of the event. There should be no more than three people competing against one another in any given heat race.

**GREAT AMERICAN SQUIRT GUN FIGHT:** This will be a 15 minute timed event in which all contestants participating in the ball field must stay in play. All participants must use supplied squirt guns. The winners will be chosen from the contestants that are the driest at the end of the timed event.

**EGG BALL ELIMINATION:** There will be ten (10) soft balls placed in the middle of the ball field when the whistle blows contestants can grab the balls. It works on the same rules as dodge ball and you can be eliminated if the ball hits you below the neck or if a player catches the ball before it hits the ground. Anyone hit above the neck will be allowed to continue. If the same person throwing the ball hits someone more than once in the head they will be automatically disqualified. The last one left without being eliminated will be crowned the winner.

# Help Needed...

*The Central Maine Egg Festival needs your help!*

It takes many people to bring an event as big as our Festival together. Planning for the Festival is ongoing. We have helpers throughout the year, but this is not enough.

## We need your help!

We have many projects with no coordinator. With only four regular committee members and three ad hoc members, much of the work falls on only a few shoulders.

Please keep in mind, *2012 is the Festival's 40th anniversary.*

We want it to be spectacular, but we need committed, dedicated & community minded people to step forward and help lighten the load.

If you are interested in being part of a community tradition please contact *Deb Billings at 680-0646.*
